ocklam 23

Wait for your teacher to give you a **heat code**.

Type in your heat code and press the **Enter** key or press **Go**.

You will then be taken to the competition for your class.

You can now start playing the challenges.

You can now start playing!

Your character is the **blue** arrow.

You need to drag and drop blocks to make your character reach the **red** circle, called the flag.

take st	tep forwa	ard	turn	clo	ockw	ise (t	he c	hara	icte	er's	s riș	ght)	•		

Drag and drop blocks from the bottom-left corner of the screen.

Once you've assembled your blocks, click on **Run blocks** to execute your code.

Once you've finished, click View other questions and try the other challenges.

If you encounter an error...

Do not panic. Your work is not lost.

Here's what to do.

Reload the page. If the issue persists, call your teacher.
